3rd Party Tool	: DevExpress 14.5.2, Crystal Report
Database	: MS Sql Server 2008, Oracle 12 C, MySQL

PROJECT DETAILS

I. Corporate Business Travel Management System

Client: Rane Madras Limited, Chennai.

Role : Software Developer

Description:

Corporate Travel Management solution enables corporate companies to adhere to company policies, while efficiently facilitating the business travel requirements of its employees. It simplifies your workload, help you to manage travel risks, reduce travel spend, serve your travelers, and provide integrated and centralized data reporting, end-to-end, to enhance customer acquisition.

Technology Used: C#.NET, ASP.NET 4.5.2, LINQ, JSON, jQuery, Oracle 12C, JavaScript, ASP.NET Web API, Ajax, HTML, CSS, Bootstrap, Xtra Report.

Responsibilities:

- Interact with client and team leads to understand the requirements.
- Involved in testing the components and deployment
- Responsible for application code.
- Fixed the bugs reported by QA team
- Used ADO.NET objects such as Data Adapter, Data Reader, Dataset and Data List for reading records in the database
- Maintenance

II. Travel Management System (TMS)

Client: Tractors and Farm Equipment Limited, Chennai.

Role : Software Developer

Description:

TMS is web-based application and integrated with mobile application helps to facilitate business travel. It gives clear visibility into all travel data and keeps the management and employees enlightened with the correct information. Single version of real-time data regarding the travel expenses and reasons for expenses is streamlined to accounting departments to enable hassle-free receipt of reports and issue of reimbursements.

Technology Used : C#.NET, ASP.NET 4.5.2, LINQ, JSON, jQuery, SQL Server 2008, JavaScript, ASP.NET Web API, Ajax, HTML,CSS, Bootstrap, BAPI (Business Application Program Interface), Xtra Report.

Responsibilities:

- Interact with client and team leads to understand the requirements.
- Fixed the bugs reported by QA team
- Worked on the modules implementing the business logic in C#
- Designing database, coding & debugging.
- Implementation and Maintenance.

III. Distributor Order Management

Client: Rane Madras Limited, Chennai

Role : Software Developer

Description:

The Distributor order management system is the technology and processes their business users to receive and follow up with orders. The order management system is a key component of the business, as it ultimately fulfills the promises made by demand generating departments like sales and marketing. It is efficiently tracking and fulfilling sales orders.

Technology Used: C#.NET, ASP.NET 4.5.2, LINQ, JSON, jQuery, MySQL , ASP.NET Web API, JavaScript, Ajax, HTML, CSS, Bootstrap

Responsibilities:

- Interact with client to understand the requirements.
- Fixed the bugs reported by QA team
- Designing, Development the required enhancements.
- Maintenance

IV. E-Commerce

Client: Athira Boutique.

Role : Software Developer

Description:

The basic idea is that customers can buy products using online. The administrator will enter their name and password to create an account then generate the receipt of the products purchased. It enables Vendors to set up online shops, customers to browse through the shops. It is B2C and B2B process and it will generate the report and bill summary and updating the stock to track the orders.

Technology Used: C#.NET, ASP.NET 4.5.2, LINQ, JSON, jQuery, SQL Server, JavaScript, Ajax, HTML, CSS, Bootstrap

Responsibilities:

- Design of the Web pages, Menu bars, Banner
- Designing database, coding & debugging.
- Site testing including error checking, browser compatibility and accessibility testing.
- Maintenance

V. Milk Procurement

Client: Katraj Dairy, Pune.

Role : Software Developer

Description:

Milk Procurement System MPS is a custom solution that manages all the tasks associated with distributed milk collection and milk procurement. It allows multi user and grants them module level access to protect the data from various threats. It is designed to reduce the time required for Administrators to track the customer reports and can automate the manual entry and gives accurate weight and rate depends upon the milk quality using Rate formulae.

Technology Used: C#.NET, ASP.NET, LINQ, JSON, jQuery, SQL Server, JavaScript, Ajax, HTML, CSS, Bootstrap, XtraReport

Responsibilities:

- Designing database, coding & debugging.
- Fixed the bugs reported by QA team
- Maintenance

VI. Glass Optimization Application

Client: Globe Glass Pvt Ltd., Sri Lanka.

Role : Software Developer

Description:

The glass Optimization software is based on highly advanced cutting algorithm, which optimizes the cutting layouts / patterns in Glass Cutting operations. It tremendously helps in reducing wastage of material, time, labor and process. Significantly reduces wastage and cost due to high overall yield and reuse of Off-Cuts. And gives accurate estimation of sheet glass requirements and provides customer wise quotations.

Technology Used: C#.NET, ADO.NET , Class Library, SQL Server , XtraReport

Responsibilities:

- Actively involved in design, development, and integration and testing of all the primary modules.

CO-CURRICULAR ACTIVITIES

- Completed two-day workshop on **Android App Development** held on 18th and 19th Feb, 2016. Organized by the Department of Computer Science and Engineering, Pondicherry Engineering College.
- **Presented Paper** on ‘Nature-Inspired Bio Computing’ during the event of ‘**SCIEN TECH ’16**’ held on 27th Feb 2016 at our College Premises.
- Attended the workshop on **Big Data, Satellite Programming, Robotics and PCB Design** on 7/2/16, conducted by International Science and Research Organization.
- Underwent Industrial Visits to “**Chipset Solutions**” Cochin (Aug-2016).

EXTRA-CURRICULAR ACTIVITIES

- Won 1st place in Running Race held in event of Sports Day Celebration, 2011 at our School.
- Participated in National Level Presentation Contest on “**Make in India**”, 2016.
- Participated in Poetry Competition held by Anna Dravidian Kazhagam, 2010.
- Participated in State Level Ethics Quiz held by Bright Tech, 2008.

DECLARATION

I hereby declared that above furnished information is true to the best of my knowledge and I bear the responsibility for the correctness of the above-mentioned particulars.
